Information Sheet

You are being invited to participate in a research study titled A cross-linguistic study of factors affecting language comprehension in adults. This study is being done by Dr. Rachel Dudley from UC San Diego. You were selected to participate in this study because of your age and language background.

The purpose of this research study is to find out more about how differences between languages that we are familiar with impacts our understanding of language. Your participation in this research should last approximately less than 1 hour. If you agree to take part in this study, you will be asked to read or listen to some words or sentences or look at pictures, and then answer questions about them.

Your participation in this study is completely voluntary and you can withdraw at any time. Choosing not to participate or withdrawing will result in no penalty or loss of benefits to which you are entitled. You are free to skip any question that you choose.

If you have questions about this project or if you have a research-related problem, you may contact the researcher(s), Dr. Rachel Dudley, 1-858-246-5276. If you have any questions concerning your rights as a research subject, you may contact the UC San Diego Office of IRB Administration at irb@ucsd.edu or 858-246-4777.

By participating in this research you are indicating that you are at least 18 years old, have read this consent form, and agree to participate in this research study. Please keep this consent form for your records.
